

My name is Shanta McKinzie, and I am an IT manager and recruiter at Ford Motor Company. I am in the process of interviewing full-time and summer internship candidates for our Information Technology organization, and I would love to have a few Texas Southern students and graduates on the Ford team.

**Examples of Opportunities**

- Application Development
- Autonomous Vehicles
- Connected Vehicles
- IT Operations
- Cyber Security
- Marketing, Sales, and Service IT
- Mobility Product Solutions
- Manufacturing IT
- Network Architecture

**General Requirements:**

- 3.0+ GPA
- Computer Science, Management Information Systems, Engineering, or a related major
- BS or MS candidates with a planned graduation date of May 2020 or sooner for internships and September 2018 for full-time positions
- Permanent work authorization in the US
