

# Wireless Networks Security and Privacy Workshop

April 30<sup>th</sup>, 2018  
Texas Southern University,  
Houston TX, USA

We would like to invite you to participate in a one day workshop on Wireless Networks Security and Privacy organized by Enriching Security Curricula and enhancing awareness of Security project group.

## Workshop focus:

- Introduce the Enriching Security Curricula and Enhancing Awareness of Security project (<http://capex.cs.uh.edu/>)
- Introduce instructors to modules and hands on practice on Wireless Networking and Privacy in Data Mining
- Build a community of practitioners that contributes to enhancing security awareness across and beyond computer science

## Benefits:

At the end of the workshop, participants will be able to:

- Readily integrate the modules offered into relevant CS/IT courses
- Use the modules content to improve students learning in these topics
- Participate in building a community that uses and develops security curricular material.

## Registration:

Fill [Registration Form](#), and email to [Ghemri\\_lx@tsu.edu](mailto:Ghemri_lx@tsu.edu)

## Support:

This workshop is supported by an NSF grant. Funding is available to support travel and lodging for a limited number of participants.

[Application for Travel Grant](#)

Application deadline: April 10<sup>th</sup>, 2018

Notification: April 20<sup>th</sup>, 2018

## Contact

For more information, please contact: [Ghemri\\_lx@tsu.edu](mailto:Ghemri_lx@tsu.edu)

# Workshop Agenda

## **Monday, April 30<sup>th</sup>, 2018**

8:30am Breakfast

9:00am Welcome & Overview

9:30am Security and Protocols for Wireless Sensor Networks

Presenters: M.F. Khan and W. Li (TSU)

11:00am Break

11:15pm Hands-on Exercises

12:30 pm Lunch

2:00 pm Privacy in Data Mining

Presenters: P. Chen and L. Ghemri (UMass Boston, TSU)

3:30: Break

3:45 pm Hands-on exercises

5:00 pm Open discussion

5:30: Close
